Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B supporting Line(s) 21(b) of your report to clarify the following description(s): "Consulting Services". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).
2. Schedule B of your report discloses a payment to "Bank of America" for \$2,736.30; however, the sum of the memo entries provided identifying the original vendors associated with this payment total \$13,649.44. Please amend your report to clarify this apparent discrepancy.
3. Schedule A of your report discloses numerous receipts from individuals with an employer of "Self-Employed/ Kingston Mines". Please verify that this contributor information is accurately disclosed, and amend your report, if necessary.

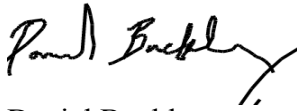

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
